Neuroscience Retreat

September 7-8, 2012
Collinsville DoubleTree
Collinsville IL

Please join us for a day of scientific exchange with oral and poster presentations of current research by area faculty, staff, students, and post-doctoral fellows.

Presenting options include posters on Friday evening and Data Blitz (5 minutes total time) or longer (15 minutes total time) talks on Saturday. The scientific program is currently scheduled for Friday evening and 8:30 am to 3:00 pm on Saturday.

Registration fee includes housing for Friday night and all meals. Further information and the registration form to attend and/or make a presentation can be found at the SIU Division of Continuing Education website:
